

PROGRAMS

The Yuchengco Museum provides a variety of learning experiences for aspiring museum professionals and adults to (1) promote the museum's permanent and changing exhibitions and themes, as well as to (2) link the academe to the museum practitioners in furthering research and excellence in arts management and museum studies. The museum offers a range of activities, such as:

1. Guided tours by museum staff
2. Lectures and special guided tours by field experts and curators
3. Traditional Chinese painting classes (basic and intermediate) for adults
4. Young Curators Program with partner universities and their students
5. Museum volunteer corps for interested professionals
6. Summer internships for college students pursuing art, arts management, or museology
